CONTRACT AWARDED

I. M. Lane & Co. Will Build the Big Tobacco Warehouse

The contract for the big addition to the American Tobacco Company's already big plant in the East End has been awarded as a whole to I. M. Lane & Co.

The new building will be 220 x 212 feet, two stories high, and it will cost \$50,544.

It will require nearly 2,000,000 brick and more than three quarters of a million feet of lumber.

Those who have sub-contracts, or who will supply material, are—

Brick Work—Dea & Hughey.
Brick—Maysville Brick Company.
Lumber—W. B. Mathews & Co.
Iron Work—Maysville Foundry and Machine Co.

Lime and Cement—M. C. Russell Co.
Hardware—Frank Owens Hardware Co.
Excavation—Oliver Hord.

The contractors expect to have the work completed by January 1st, 1907.

The larger portion of the manufacturing industries of Maysville are now located East of Limestone creek, and property in that section of the city is having an upward tendency.

The march of progress in the building line is Eastward by leaps and bounds.

With her present industries, schools, Churches, railroads, river, and backed with the richest farming land in the world, where will you find a more desirable location in this glorious country of ours than right here in good old Maysville?

SECOND DAY'S SESSION

Doings of Mason County Teachers at Their Institute Yesterday

After the usual opening exercises beginning the second day's session of the Mason County Teachers' Institute, the subject of United States History was taken up by Prof. Sharon in six distinct sections, embracing the leading periods in the history of our country. The discussion was both interesting and instructive to the teachers.

Mr. William H. Hiney made a fine talk on "In the Mountains of Kentucky Among Peaks and Moonshine."

Eighteen new teachers were enrolled at the morning session, making sixty-three in all attending the Institute.

Geography was the next topic, the discussion being led by Prof. Barton.

The afternoon's business was begun with Prof. Sharon on "Arithmetic," followed by Prof. Burton on "Language," on both these subjects the leaders giving many fine points in the method and result of teaching.

Prof. Sharon resumed his discussion on "Reading," concluding with a ten minute story telling by Prof. Burton.

The Institute then adjourned until 9:30 this morning.

If saloonists wish to disarm a large part of the opposition to them, they will go in for high license and consequently a better class of saloons. The day of the "dive" is drawing to a close.

LOUISVILLE arrests Locomotive Engineers who blow their whistles unnecessarily within the city limits. Gee! What a relief it would be to West Enders if the Cops would run in about six-fifths of them C. and O. whistle fiends!

THE British newspapers ridicule the President's order to modify the spelling habit. They want to "honour" old Dr. Johnson, and would probably "favour" some plan that would drive the "plough" or milk the "cough" according to past century methods.

THE President's order to use the simplified form of spelling will be a great relief to many printing offices where the supply of type is limited. What's the use of using six letters to spell "though" when three will do the work. "Tho" will look funny for awhile, but it will get there all right.

If there's a young man in Maysville who wants to engage in a profitable business, let him get the agency for a few non-Board Insurance Companies. Surely, the Insurance Trust hasn't barred the door so tightly that it can't be broken open. If it has, may the good Lord have mercy on us slaves!

THE authorities of the city of Budapest have decided to unveil the Washington Statue now under erection on September 16th, and have sent out invitations to the Mayors of American cities, Presidents of American Universities and many notable public men of the United States to attend. For some reason or another, the Civil Service Letter Carrier has not yet put in an appearance with The Ledger Man's r. s. v. p.

Just now Cuba is presenting an object lesson to Mr. BRYAN and those worthy gentlemen who insist that the people of the Philippines should be given absolute independence, free from control by the Government of the United States. That's precisely what Uncle Sam did for Cuba, and now there is a rebellion down there against the local Government, and the latter may be forced to call on the United States to settle the matter. The trouble with some Cubans is the same as with many Filipinos and all the Anarchists—the only "liberty" they want is the liberty to riot and murder, and to burn and rob, and the only liberty they deserve is the liberty that follows a three-minute matinee at the end of a rope.

General Sherman once possessed an Irish servant whose forte was asking questions and trying to find out the why and wherefore of everything he was told to do, according to The Chicago Inter-Ocean. During a battle an Orderly one day approached the General and told him that his favorite horse, Ross, had been struck by a cannon ball and killed.

Calling his Irish servant the General said, "Go skin Ross."

"Why, sir, is Ross dead?"—began the man.

General Sherman rose up in his wrath, saying, "Never mind whether he is dead or not—I told you to go out and skin him."

The man returned about three hours later and Sherman bailed him with the words, "Where have you been? Does it take you three hours to skin a horse?"

"No," answered Mike, "but it took me about two hours to catch him."

A suit case, tossed about in the check room of a small hotel in Illinois, near Terre Haute, Ind., for weeks, was opened and found to contain enough dynamite to blow up the place. With the dynamite was found a complete set of burglar's tools.

Twenty-eight persons were killed and twenty-four wounded as the result of an attempt to assassinate Premier Stolypin while he was holding a public reception at his country home. His fifteen-year-old daughter is among the dead. Two of the four conspirators were blown to atoms. It is thought that the bomb was accidentally dropped, else more persons would have been killed. The Premier was slightly wounded and is completely prostrated over the affair.

List of Roosevelt's Simple Spelled Words

Since President Roosevelt decided to set a new style in spelling, the Simplified Spelling Board in New York has been overwhelmed by applications for lists of the reformed words. There are 300 of these words, the use of which has been ordered by the President in his correspondence and in public documents under his control. Their adoption by the President and his staff is to be immediate. It is expected that soon he will have a large following in the country. Carnegie is one of the backers of the reform.

Dr. Landman, the Oculist, will be at Central Hotel Thursday, September 6th.

Messrs. Murray & Thomas yesterday closed a contract with Mr. J. W. Boulden for a \$1,000 monument, sarcophagus design. It is to be erected on the A. J. Hill lot in Millersburg Cemetery, Mr. Boulden being Executor of the estate.

There is another Democratic Richmond in the field for Congressional honors. At least Dr. McNew of The Carlisle Democrat would have it so, as he suggested the name of Hon. Thomas D. Slattery of this city as suitable timber for the place. Mason's County Attorney has a Congressional front, a Roscoe Conkling stride and a Henry Clay head. What more is needed?

G. A. R. REUNION

The Annual Meeting Held Last Week at Mowers Park

The G. A. R. celebration last week at Mower Park was attended by a goodly number, the grove assuming an air of National importance owing to the unlimited number of flags used in decoration.

The program Friday consisted of addresses by Dr. Bowman of Tollesboro, Rev. H. E. Roseberry of Vanceburg, recitations and a beautiful flag drill. Mrs. Campton of Covedale, organist, rendered some fine selections, as did also Prof. Martin of Louisville, whose selections, some of them, tinged with a degree of sadness, while others created a spirit of mirthful amusement.

Near leave-taking, in the gloaming of the evening, occurred the regular bean supper, minus the campfire, prepared and served by Mrs. Cole, wife of one of the members of the Association who jestingly remarked that "she was the army cook."

A number of the old soldiers presented a curious and amusing spectacle as they sat on their heels on the ground, and, after pulling away the grass and weeds, partook of the meal, as they claimed, in true old army style. One universal regret of the occasion was the absence of one of the prominent speakers, whose name was on the program.

Cincinnati's Big Fall Festival Inaugurated

And Thousands Are Traveling to the Ohio Metropolis

CINCINNATI, O., Aug. 29.—All roads now lead to Cincinnati.

The Fall Festival, which has just opened so gloriously here, is the first big Exposition since the late St. Louis World's Fair. It is this city's fifth annual.

The magnificent permanent buildings dedicated to expositions during the busy era of Cincinnati's annual Industrials shows are crowded with exhibits of note, while "The Circle" in Washington Park, connected with Music Hall by a bridge across Elm street, is a composite "Pike" and "Midway" brought right up to date.

Thousands of strangers have already planned to visit Cincinnati during the days of her autumn glory, and the invitation is sent broadcast, assuring a welcome as delightfully warm as the breath of an Indian summer day.

Cincinnati's best business blood is behind this fifth of a series of autumn festivals given "for the glory and honor of Cincinnati." The fame of the Queen City's hospitality extends beyond Uncle Sam's domains, and she has put on her best bib and tucker to entertain throngs of visitors.

"The First American production of 'The Blue Moon'—a musical spectacle transplanted by the Shuberts from London—proved an event of tremendous theatrical performance. It was staged in Music Hall through the courtesy of Heuck's Opera House Company, of Cincinnati, O., managers of the Lyric Theater. Pretty girls, catchy music, gorgeous scenery, magnificent costumes and bright comedy make up a stinging picture of wondrous worth. 'The Blue Moon' runs all month and will make a new amusement record for Cincinnati. 'Fighting the Flames' occupies a whole city block on the banks of the canal back of the Exposition buildings. Realistic exhibitions of fire-fighting, ladder scaling, life-net jumping, rescue work and quick coupling stir all the red blood in one's veins.

One of the greatest tragedies in the Nation's history is recalled in 'The Johnstown Flood,' which is reproduced with wonderful electrical effects. Jim Key, the educated horse, has been added to the great roster of attractions in 'The Circle.' 'In the Shadow of the Cross' is a new illusion of the Christ. The Daughters of the Confederacy are serving light lunches, and their big booth is the accepted headquarters of the Southern hosts.

The Fall Festival is responsible for one wonderful revival. There is tremendous travel by river, for the steamboat lines have made great concessions in the way of round trips at rates lower than have ever dreamed of before. Railroads are also doing their share in the matter of excursion rates.

WEAK KIDNEYS MAKE WEAK BODIES.

Kidney Diseases Cause Half the Common Aches and Pains of Maysville People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ill.

Maysville cures are the proof.

W. H. Paul, carpenter by trade, living at 333 East Third street, Maysville, Ky., says:

"I value Doan's Kidney Pills as highly today as I did when I first used them in 1899. I got a box and used it for a pain in my back and other evidences of a disordered condition of the kidneys which had given me much trouble for two years or more. This remedy acted promptly and I was soon cured. I did not notice any of the difficulties until some four years later, or about a year ago. I again procured Doan's Kidney Pills at J. James Wood & Son's Drugstore and all symptoms of the trouble were quickly and thoroughly removed. Since then I have not noticed any signs of trouble of any kind arising from my back or kidneys. I most cheerfully re-indorse Doan's Kidney Pills, for they are certainly worthy of recommendation."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
